Location

## ③ MAST/RIG & SAILS

- Step Mast, Tune, Pin & Refit Boom   
Remove mast from storage, crane mast in, re-tension standing rigging and secure, fit boom and all running rigging
- Bend Sails On   
Refit sails including battens, reef lines & control lines, luff slides/cars and sail covers/stackpacks.  
Furling sails operations/handling will be double checked.

## ④ SERVICE WORK:

- Pre-season mast & rig survey   
We survey the rig and all rigging related parts of the yacht - A detailed report with images will be provided
- Masthead gear reinstate   
VHF, anemometer, TV aerial, navigation lights & Windex will be put back from winter storage/care.
- Spars - wash, polish & protect   
Masts & booms will be washed, then coated from top to bottom with 'Hempel - Alu Protect' .
- Liferaft - reinstate   
If your life raft has come back from servicing allow us to refit it for you.
- Deckgear - service   
Deck organisers, clutches, travellers, blocks and all moving parts – will be flushed, inspected and re-lubricated.
- Mainsail track - lubricate   
From top to bottom of the sail track, batten cars will be serviced and lubricated to aid hoisting the mainsail.
- Anchor chain & docklines   
We will check your anchor chain & docklines to ensure they are safe and ready for the forthcoming season.
- Winches - service   
Winches will be broken down, stripped, de-greased, inspected and re-greased ready for the sailing season.
- Running Rigging - wash & service   
All halyards, controls lines & sheets – will be run through our professional rope washer, then inspected and serviced with frayed ends repaired and whippings applied where necessary.
- Running rigging - reinstate   
We will refit all running rigging which may have been removed for washing or winter storage
- Refit Sprayhood & Dodgers   
Sprayhood will be reinstated and strapped up accordingly. Dodgers will be laced back into place.
- Rig Tension - check & tune   
Standing rigging tensions will be checked and mast will be tuned to ensure it is in column and straight.

## 5 MAST ELECTRICS:

- Owner to reconnect mast electrics
- MYH Marine Team to reconnect mast electrics

Please note: Mast electrical services are provided by Mylor Yacht Harbour Ltd and will be invoiced directly by them.
